

A photograph of a steam locomotive pulling a train. The locomotive is dark-colored and has the number '34088' on its front. It is emitting a large plume of white steam. The train consists of several green passenger cars. The train is on a set of tracks that curve to the right. In the background, there are some buildings and a utility pole. The sky is blue with some light clouds.

THE LAST
STEAM
LOCOMOTIVES
OF BRITISH RAILWAYS
