

Dienstregeling voor het vervoer van goederen naar of van het buitenland

Onderhavige kaart en de tabellen die erbij horen geven U inlichtingen over de verzendingsmogelijkheden voor uw goederen naar het buitenland.

1. Nieuwigheden in de dienstregeling geldig vanaf 26 mei 1968

a. Vervoer met TEEM-treinen

Er werd een snellere TEEM-verbinding ingeschakeld in de richting Italië (Chiasso) - België. De wagens kunnen later (12 uur in plaats van 9 uur) uit Chiasso vertrekken en kunnen met de TEEM 301 nog mee. Dat miniem verschil bij het vertrek verschaft bij aankomst uiteindelijk een tijdwinst van 24 uur.

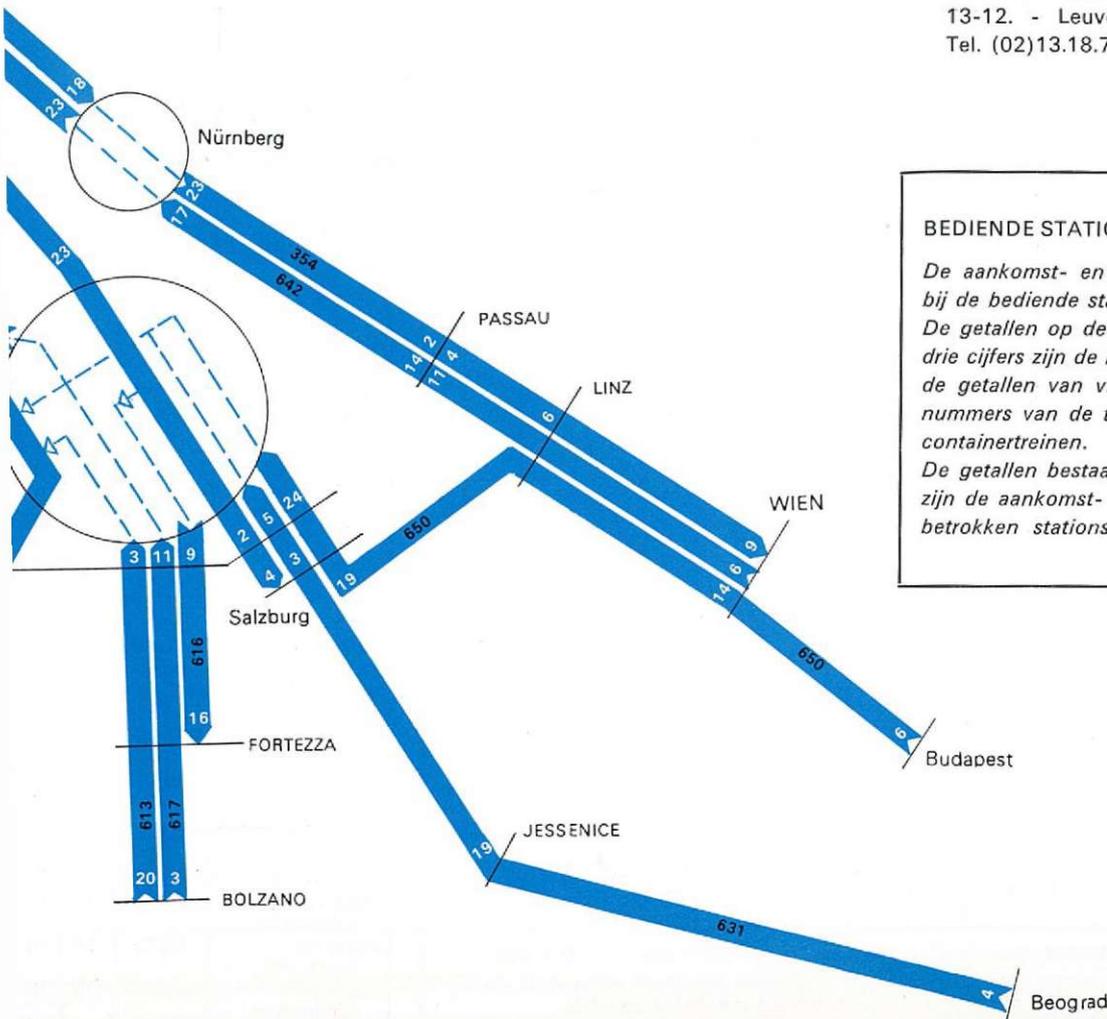

b. Verzending met ijlgoedtreinen, aangepast voor de vervoertechniek „Spoor-Weg”

Benevens de met opleggers beladen treinen, die tussen Rotterdam en Parijs rijden, lopen er sinds 19 maart containertreinen tussen onze havens van Antwerpen en Zeebrugge en de havens van Rotterdam en Amsterdam, de belangrijkste Duitse stations, alsmede Bazel en Milaan.

2. Integrale dienstregeling voor de goederen

Alle transportmogelijkheden van of naar België komen voor in het internationaal goederentreindienstboek LIM. Indien U daarover meer wenst te weten, kunt U op verzoek een uittreksel van dat dienstboek, met de dienstregelingen die België aanbelangen, kosteloos bekomen op volgend adres:

N.M.B.S. - Directie van de Exploitatie. Bureau 13-12. - Leuvenseweg 17 te Brussel 1. - Tel. (02)13.18.70 - toestel 3173.

BEDIENDE STATIONS

De aankomst- en vertrekuren worden alleen bij de bediende stations vermeld.

De getallen op de TEEM-lijnen bestaande uit drie cijfers zijn de nummers der TEEM-treinen; de getallen van vijf cijfers zijn de Belgische nummers van de treinen „Spoor-Weg” of de containertreinen.

De getallen bestaande uit een of twee cijfers zijn de aankomst- ofwel de vertrekuren in de betrokken stations.

3.
