| Note for the Editor | 1 |
| PREFACE by M. Walrave | 5 |
| PREFACE by D. Vincent..... | 9 |
| | |
| CHAPTER 1 | |
| GREECE AND THE EUROPEAN TRANSPORT POLICY ON RAIL AND AIR TRANSPORT | |
| | |
| 1.1. Introductory speech by Ath. Tsouras | 15 |
| 1.1.1. Transport and Development | 15 |
| 1.1.2. The necessary transport infrastructure | 16 |
| 1.1.3. The European Transport Policy | 16 |
| 1.1.4. The initiatives of the Greek Presidency in the European Union | 17 |
| 1.1.5. The modernisation of Greek Railways | 18 |
| 1.1.6. The reorganisation of Olympic Airways | 18 |
| 1.2. Other addresses at the opening session | 25 |
| | |
| CHAPTER 2 | |
| POSITIVE AND NEGATIVE ASPECTS OF LIBERALISATION AND PRIVATISATION | |
| | |
| 2.1. V. Profillidis, Positive and negative effects of liberalisation of rail and air transport-The case of Greece (paper in French) | 27 |
| 2.1.1. Le libéralisation et la fin de l'ère des monopoles de l'Etat | 28 |
| 2.1.1.1. Bref historique | 28 |

| | page |
|---|------|
| 2.1.1.2. La notion de service public | 28 |
| 2.1.2. Les buts de la politique de libéralisation et le nouveau rôle de l'Etat | 29 |
| 2.1.2.1. Définition de la libéralisation | 29 |
| 2.1.2.2. Libéralisation et service public | 30 |
| 2.1.2.3. Les effets au marché | 30 |
| 2.1.2.4. Les effets macro-économiques | 30 |
| 2.1.2.5. Les effets négatifs | 31 |
| 2.1.2.6. L'équilibre du marché libéralisé | 31 |
| 2.1.2.7. Le nouveau rôle de l'Etat | 32 |
| 2.1.2.8. Libéralisation ou privatisation | 32 |
| 2.1.3. Les transports ferroviaires | 33 |
| 2.1.3.1. Les grands axes de la politique communautaire de libéralisation | 33 |
| 2.1.3.2. La libéralisation et les Chemins de fer Grecs ... | 34 |
| 2.1.3.2.1. La situation actuelle des chemins de fer grecs | 34 |
| 2.1.3.2.2. Les besoins d'infrastructure | 36 |
| 2.1.3.2.3. Quelle libéralisation pour les transports ferroviaires en Grèce | 36 |
| 2.1.4. Les transports aériens | 37 |
| 2.1.4.1. Le développement des transports aériens | 37 |
| 2.1.4.2. L'expérience de la dérégulation américaine | 39 |
| 2.1.4.3. Les particularités de l'espace européen | 39 |
| 2.1.4.4. Les caractéristiques et l'avenir d'Olympic Airways | 40 |
| 2.1.5. Libéralisation et privatisation: tendance à durer ou une mode temporaire | 45 |
| 2.1.6. Références bibliographiques | 45 |

CHAPTER 3 THE EUROPEAN POLICY

| | |
|---|----|
| 3.1. M. Walrave, The organisation of railways in Europe - Experiences and results of some recent examples of restructuring (paper in French) | 53 |
| 3.1.1. L'organisation du secteur ferroviaire en Europe | 53 |
| 3.1.2. La réforme des chemins de fer Japonais | 55 |
| 3.1.3. La réforme des chemins de fer suédois | 58 |
| 3.1.4. Conclusion | 60 |

| | page |
|---|------|
| 3.2. D. Vincent, The policy of the European Union on liberalisation and privatisation of air transport (paper in French) | 65 |
| 3.2.1. Le marché intérieur et le transport aérien | 65 |
| 3.2.2. Les trois paquets de libéralisation | 65 |
| 3.2.3. La situation actuelle des compagnies aériennes européennes | 67 |
| 3.2.4. Quelques recommandations concrètes | 67 |
| 3.2.5. Les coûts et la surcapacité | 68 |
| 3.2.6. Protectionisme et privatisation | 69 |
| 3.2.7. Vers une politique commune des transports aériens - Les priorités de la Commission | 70 |
| X 3.3. M. Violland, The privatisation of railways | 75 |
| 3.3.1. A brief presentation of the ECMT | 75 |
| 3.3.2. Introduction | 76 |
| 3.3.3. Aims of privatisation | 76 |
| 3.3.4. Privatisation and the separation of infrastructure from operation | 79 |
| 3.3.5. Conclusions | 81 |
| 3.3.6. Air transport | 82 |
| X 3.4. J.F.B. Wilson, Liberalisation in Community policy for rail transport | 86 |
| 3.4.1. Introduction | 86 |
| 3.4.2. Evolution of Community transport policy | 86 |
| 3.4.3. Public services and state aids | 87 |
| 3.4.4. General policy for railways: directive 440 of 1991 | 88 |
| 3.4.5. Opening-up of railway infrastructure: first step | 89 |
| 3.4.6. Follow-up to directive 440/91 | 90 |
| 3.4.7. Implementation of Community policy | 91 |
| 3.4.8. Trans-European Networks | 92 |
| 3.4.9. Interoperability | 92 |
| 3.4.10. Option for future liberalisation | 93 |
| 3.5. K. Andreopoulos, Financing possibilities of railway and airway projects by the European Investment Bank | 97 |
| 3.5.1. The European Investment Bank | 97 |
| 3.5.2. The objectives of the EIB | 97 |
| 3.5.3. Better communications through transport projects | 99 |
| 3.5.4. Finance tailored to requirements | 100 |

CHAPTER 4

THE POLICY OF THE RAILWAY NETWORKS

| | | |
|----------|--|-----|
| 4.1. | G. Petsos, The policy of Greek Railways on the modernisation and liberalisation of railway transport | 107 |
| 4.1.1. | Introduction | 107 |
| 4.1.2. | Actual situation of OSE | 108 |
| 4.1.3. | The Railways in front of the 21st century | 110 |
| 4.1.3.1. | Restructuring of the railways in the framework of the European Union directions | 110 |
| 4.1.3.2. | Modernisation of OSE | 112 |
| 4.1.4. | Increase of the enterprise's efficiency | 113 |
| 4.1.5. | Managerial restructuring of OSE | 115 |
| 4.1.6. | Railways as labour intensive unit | 116 |
| 4.1.7. | Epilogue | 117 |
| ✕ 4.2. | E. Schouppe, Transport policy in Europe | 130 |
| 4.2.1. | The Community of the European Railways | 130 |
| 4.2.2. | Transport policy of the EU | 130 |
| 4.2.3. | The Railway policy of the EU | 131 |
| 4.2.4. | Intramodal competition | 132 |
| 4.2.5. | Intermodal competition | 133 |
| 4.2.6. | External costs | 133 |
| 4.2.7. | Other important issues | 134 |
| ✕ 4.3. | D. Azéma, The policy of French Railways on the progressive liberalisation of railways (paper in French) | 139 |
| 4.3.1. | Introduction | 139 |
| 4.3.2. | L'appréciation sur la mise en oeuvre de la libéralisation . | 140 |
| 4.3.3. | Les limites du processus en cours | 143 |
| 4.3.4. | Les pistes à suivre pour l'avenir | 145 |
| 4.3.5. | Conclusions | 148 |
| 4.4. | M. Lalakakis, Greece's isolation from the international railway network | 153 |

CHAPTER 5

THE POLICY OF THE AIRWAY COMPANIES

| | | |
|--------|--|-----|
| 5.1. | Th. Tsakiridis, Consequences of the liberalisation of air transport | 161 |
| 5.1.1. | The single market and the liberalisation of air transport in Europe | 161 |

| | page |
|---|------------|
| 5.1.2. The American experience and Europe | 162 |
| 5.1.3. The situation of the European Air Companies | 162 |
| 5.1.4. The strategy of Olympic Airways | 162 |
| 5.1.5. Air traffic problems | 163 |
| 5.1.6. The response of European Companies to the challenge of liberalisation | 163 |
| 5.1.7. The restructuring plan of Olympic Airways | 164 |
| 5.1.8. Strategic alliances of Air Companies in Europe | 164 |
| 5.1.9. Fair competition and equal chances | 165 |
| 5.2. P. Müggenburg, The competition of airway companies in the European Market - The policy of Lufthansa | 176 |
| 5.2.1. Introduction - Basic changes in political framework | 176 |
| 5.2.2. The policy of Lufthansa German Airlines | 177 |
| 5.2.2.1. Lufthansa's answer | 177 |
| 5.2.2.2. Operational reorganisation | 178 |
| 5.2.2.3. Structural reorganisation | 179 |
| 5.2.2.4. Strategic reorganisation | 180 |
| 5.2.2.5. New clients potential | 181 |
| 5.2.3. Summing up | 182 |
| 5.3. P.-A. Jeanneney, The Reorganisation of Air France (paper in French) | 187 |
| 5.3.1. La situation du groupe Air France en 1993 | 187 |
| 5.3.1.1. Une grève particulièrement dure en octobre 1993 | 187 |
| 5.3.1.2. La situation d'Air France en 1993 | 187 |
| 5.3.1.2.1. Les résultats financiers pour la Com- pagnie | 187 |
| 5.3.1.2.2. Les résultats financiers pour le Groupe | 188 |
| 5.3.1.2.3. La situation d'Air Inter | 188 |
| 5.3.1.3. Comment expliquer cette situation? | 188 |
| 5.3.1.4. Pourquoi la situation s'est-elle dégradée? | 188 |
| 5.3.2. Le contenu du plan de restructuration | 189 |
| 5.3.2.1. L'objectif | 189 |
| 5.3.2.2. La réduction des dépenses d'exploitation | 189 |
| 5.3.2.3. La dotation en capital de 20 milliards de francs, sous réserve de l'accord de Bruxelles | 189 |
| 5.3.2.4. La réduction des investissements | 190 |
| 5.3.2.5. Modification des conditions de travail | 190 |

| | page |
|--|------------|
| 5.3.2.6. La décentralisation en Centres de résultats | 190 |
| 5.3.3. Elaboration du plan et mise en oeuvre | 190 |
| CHAPTER 6 | |
| INVESTMENT AND COMMERCIAL POLICY - ENTRANCE | |
| CONDITIONS | |
| 6.1. A. Bonnafous, Rail and air investments: the consequences of privatisation and liberalisation (paper in French) | 195 |
| 6.1.1. Investissements en diminution | 196 |
| 6.1.2. Des principes structurants | 197 |
| 6.1.3. Les objectifs et le rôle de l'Etat | 197 |
| 6.1.4. Un cadre conceptuel qui assure la cohérence des moyens | 200 |
| 6.1.5. La mise à jour et quelques aspects du financement | 203 |
| 6.1.6. La prise en compte de l'aménagement du territoire | 204 |
| 6.1.7. Références de base | 207 |
| 6.2. A. Lopez Pita, Commercial and tariff policy under deregulation - The case of Spain (paper in French) | 211 |
| 6.2.1. Introduction | 211 |
| 6.2.2. La relation Madrid-Barcelona | 211 |
| 6.2.3. L'expérience internationale | 214 |
| 6.2.4. Les relations Madrid-Majorque et Madrid-Iles Canaries .. | 215 |
| 6.2.5. La politique commerciale des chemins de fer en Espagne | 216 |
| 6.2.6. Bibliographie | 218 |
| 6.3. W. Steinmetz, A. Majumdar, Entrance conditions of new enterprises in a liberalised transport market - The case of air and rail companies | 222 |
| 6.3.1. Pre-requisite conditions defined for new enterprises in a liberalised transport market | 222 |
| 6.3.1.1. Safety | 222 |
| 6.3.1.2. Service quality | 224 |
| 6.3.1.3. Financial condition | 224 |
| 6.3.2. What's at stake? - Swot review | 225 |
| 6.3.2.1. Strengths of a liberalised market | 225 |
| 6.3.2.2. Weaknesses | 226 |
| 6.3.2.3. Opportunities | 227 |
| 6.3.2.4. Threats | 228 |

| | page |
|---|------|
| 6.3.3. The key requirements for operators - air and rail | 229 |
| 6.3.3.1. Meet pre-requisites of safety, service quality and financial conditions | 229 |
| 6.3.3.2. Efficient - low unit costs | 229 |
| 6.3.3.3. Entrepreneurial - adding service and service value added (quantity/quality) to the market | 230 |
| 6.3.4. The key requirements for the operating environment | 230 |
| 6.3.4.1. The right/light level of regulation | 230 |
| 6.3.4.2. Encouragement to entrepreneurs | 231 |
| 6.3.4.3. The "Entrepreneurial market" - A definition of a liberalised transport market | 231 |
| 6.3.4.4. Removal of capacity constraints | 232 |
| 6.3.5. More on capacity constraints - air and rail | 232 |
| 6.3.5.1. Air-airport slot capacity and ATC | 232 |
| 6.3.5.2. Rail-key junction/station capacity, scheduling ca- pacity and advanced train control systems (e.g. ETCS) | 234 |
| 6.3.6. Conclusions for a liberalised market | 234 |
| 6.3.7. Recommended actions | 235 |

CHAPTER 7

PRODUCTIVITY, COMPETITION AND REGIONAL DEVELOPMENT

| | |
|---|------------|
| 7.1. D. Panagiotakopoulos, Organisational arrangements in sup- plying transportation services and the effects on producti- vity | 243 |
| 7.2. V. Lazos, Protection of competition rules and consumer rights under the regime of liberalisation and privatisation in transport | 260 |
| 7.2.1. Competition | 260 |
| 7.2.2. Negative competition | 260 |
| 7.2.3. Public - Private enterprises | 261 |
| 7.2.4. The Public and private manager | 261 |
| 7.2.5. Transport enterprises | 261 |
| 7.2.5.1. Public transport enterprises | 261 |
| 7.2.5.2. Private transport enterprises | 262 |
| 7.2.6. Concluding remarks | 262 |
| 7.3. St. Tsetsis, Impact of liberalisation of air transport on regio- nal development | 272 |

| | page |
|---|------|
| 7.3.1.-7.3.2. Regular peripheral air routes | 272 |
| 7.3.3. Problems and prospects for the development of peripheral air transport | 272 |
| 7.3.4. Regular carriers, liberalisation and regional development | 272 |

CHAPTER 8

THE REQUIRED INFRASTRUCTURE

| | |
|--|-----|
| 8.1. Ch. Frantzis, The interaction of road, rail and air transport in a deregulated market - The case of low density and isolated areas (paper in French) | 281 |
| 8.1.1. Les avantages et désavantages des divers modes de transport | 281 |
| 8.1.2. Régime déréglementé et prix réels | 282 |
| 8.1.3. L'infrastructure nécessaire - Modes complémentaires ou concurrentiels | 284 |
| 8.1.4. Le cas des régions éloignées et peu peuplées - L'intervention de l'état | 284 |
| 8.1.5. Etude d'un cas - La région de Thrace | 287 |
| 8.1.6. Bibliographie | 292 |
| 8.2. C. Giannakos, Organisation and performance of the railway infrastructure under conditions of liberalisation | 295 |
| 8.3. D. Theodorakopoulos, The effects of transport liberalisation on freight air and rail transport | 305 |

CHAPTER 9

DEMAND FORECASTS

| | |
|--|-----|
| 9.1. P. Stefanou, Estimating the impact of liberalisation to the air transport demand in Greece | 313 |
| 9.1.1.-9.1.2.-9.1.3. Scope of the paper - Liberalisation in the American and the European space | 313 |
| 9.1.4. The air transport environment of Greece | 315 |
| 9.1.5. Forecasts for air transport demand in Greece for the year 2010 | 317 |
| 9.2. D. Syrmis, Olympic Airways' domestic network and its problems in front of liberalisation | 334 |
| 9.2.1. Introduction | 334 |
| 9.2.2. The operation of the domestic network | 335 |

| | page |
|--|------------|
| 9.2.3. Pricing policy in the domestic network..... | 336 |
| 9.2.4. Olympic Airways' profile in the domestic network..... | 338 |
| 9.2.5. The future of OA's domestic network..... | 339 |
| 9.2.6. Epilogue..... | 341 |
| 9.3. J. Lainos, V. Michalopoulos, An econometric model determining the actual demand's price elasticity of Olympic Airways' passengers in the domestic network..... | 351 |
| 9.3.1. Introduction..... | 351 |
| 9.3.2. The determinants of price policy of Olympic's domestic network..... | 351 |
| 9.3.4. Determinant factors of demand..... | 352 |
| 9.3.5. Demand's estimation model of Olympic Airways..... | 352 |
| 9.3.5.1. Preliminaries..... | 352 |
| 9.3.5.2. Used variables-Correlation coefficients tests.... | 353 |
| 9.3.5.3. Running-Final form of the model..... | 354 |
| 9.3.6. Results of the model - Conclusions..... | 355 |
| 9.3.7. Bibliography..... | 356 |
| 9.4. J. Lainos, The impact of supply and demand on the appearance of the current crisis of the international scheduled air transport industry..... | 360 |
| 9.4.1. Phenomena..... | 360 |
| 9.4.2. Oversupply of the capacity..... | 360 |
| 9.4.3. Decrease of demand..... | 361 |
| 9.4.4. Decrease of fairs..... | 361 |
| 9.4.5. Cost increase..... | 362 |
| 9.4.6. Losses..... | 363 |
| 9.4.7. Investors' measures to help airlines to overcome the crisis..... | 363 |
| 9.4.8. Conclusions..... | 364 |
| 9.4.9. Selected bibliography..... | 365 |

CHAPTER 10

**THE POINT OF VIEW OF THE INDUSTRY - URBAN PUBLIC
TRANSPORT AND PRIVATE ENTERPRISES**

| | |
|--|------------|
| ✕ 10.1. R. Ibowski, Liberalisation and privatisation of rail transport The viewpoint of the industry..... | 373 |
| 10.1.1. Increase of traffic and liberalisation..... | 374 |
| 10.1.2. The heritage of the past..... | 374 |

| | page |
|--|------------|
| 10.1.3. Effects of privatisation - liberalisation | 375 |
| 10.1.4. Verticalisation of the production | 375 |
| 10.1.5. New rolling stock products | 376 |
| 10.1.6. The Transrapid Maglev project | 377 |
| 10.1.7. Conclusions | 378 |
| 10.2. H. Frey, The operation of urban public transport by private enterprises in Europe (paper in French) | 382 |
| 10.2.1. Introduction | 382 |
| 10.2.2. Les cas de la France - Coexistence des entreprises privées et publiques | 382 |
| 10.2.3. Les cas britannique - La brutale libéralisation de 1985 ... | 384 |
| 10.2.4. Le cas de l'Allemagne - La puissance des entreprises municipales | 386 |
| 10.2.5. Le cas de la Suède - Une expérience récente de privatisation | 387 |
| 10.2.6. Conclusion | 387 |

CHAPTER 11

PROPOSALS OF THE UNIONS

| | |
|--|------------|
| 11.1. M. Perros, Proposals of the Union of the workers of Olympic Airways for the reorganisation and the modernisation of the Company | 391 |
| 11.1.1. Air Transport and the European Union | 391 |
| 11.1.2. The Third liberalisation package of Air Transport | 392 |
| 11.1.3. Experiences from the liberalisation of air transport in the US | 393 |
| 11.1.4. Liberalisation and Olympic Airways | 394 |
| 11.1.5. Proposals for an operational policy | 394 |
| 11.1.6. Proposals for an administrative policy | 395 |
| 11.1.7. Proposals for a commercial policy | 395 |
| 11.1.8. Proposals for an investment policy | 396 |
| 11.1.9. Proposals for a staff policy | 396 |
| 11.1.10. Proposals for a financial policy | 397 |
| 11.1.11. Creation of subsidiary companies | 397 |
| 11.2. E. Koukos, The point of view of the personnel of the Greek Railways for the modernisation of the Railways | 406 |
| 11.2.1. Introduction | 406 |
| 11.2.2. Freight Transport | 406 |

| | page |
|-------------------------------------|------|
| 11.2.3. The strategic targets | 407 |
| 11.2.4. Combined transport | 407 |
| 11.2.5. Passenger transport | 408 |
| 11.2.6. Proposals | 408 |

LIST OF PARTICIPANTS

GREECE

| | |
|--|------------|
| Ministry of Transportation | 421 |
| Democritus University of Thrace | 421 |
| Greek Railways | 422 |
| Olympic Airways | 423 |
